**Jamones Martinez History** For over four decades Jamones Martinez has been producing artisanale ham, cured in cellars under perfect atmospheric conditions. The characteristic aroma, taste and colour of Martinez Belotta (Acorn Fed) and Cebo (Cereal Fed) hams has gained accreditation from fine food retailers all over the world. The company is accredited by the Fundacion Jamon Serrano and maintains two production sites for their Iberico and Serrano hams located in two different Spanish regions.

Felipe Martinez and Charcuterie Direct are delighted to bring you a portfolio of products to include ham and shoulder originating from the world renowned Dehesa de Extremadura region of Cáceres and Badajoz.
